Under this agreement for 2014
Federal State School will receive $19,160*

This funding will be used to

- Screen and identify learning issues in students from Prep to Year 2.
- Increase the percentage of Yr 3 students meeting or exceeding the National Minimum Standard in Literacy and Numeracy.
- Plan and supply individual intervention strategies for classroom and parent use with students in Prep to Yr2.

Our strategy will be to

- Diagnose student learning difficulties through screening assessments in Term 1 of Prep, Year 1 and Year 2. We will provide that information to parents and develop a learning plan that will support that student in the classroom and at home. The plan will have a team approach, with parents committing to actioning the home part of the plan. Plans will be reviewed in Term 3 with feedback to parents and students reassessed in Term 4.
- Provide learning support across Years 3, 5 & 7

Our school will improve student outcomes by
