

Investing for Success

**Under this agreement for 2018
Federal State School will receive**

\$50,888*

This funding will be used to

- Develop reading skills and increase students' Benchmark reading levels across Year 1 to Year 6 through individualised one on one time, with a reading mentor on a regular basis. Every child will participate in this for one term throughout the year.

Our initiatives include

- Implementing a Mentored Reading Program for all students in Year 1 to Year 6.
- Purchasing high quality/high interest reading materials to enhance and continue this program.
- Providing in-class support where appropriate.

Our school will improve student outcomes by

Purchasing high quality/high interest reading materials to enhance, supplement and continue this program at home as well as at school	\$ 2 888
Employ quality teacher aides as reading mentors	\$ 40 000
Allow teacher relief time to monitor program, assess progress and provide professional development as required	\$ 8 000
