

# Investing for Success

**Under this agreement for 2022  
Federal State School will receive**

**\$36,550\***

## This funding will be used to

- Support teachers with additional support when necessary, in the teaching of English so that all student learning is benefitting when needed. We aim for 95 % of our students achieving a C or better in English.

## Our initiatives include

- Employ additional support staff (Two teacher aides) to assist in providing focused teaching opportunities in English across all curriculum areas, within classroom settings in Yrs 1-6. This will be supplemented by additional school funds.
- Support teachers to access moderation opportunities in English, so that they have a better understanding of enacting the Australian Curriculum and the expectations for their students.

## Our school will improve student outcomes by

Purchasing additional teachers to support staff to engage in cluster and school based moderation of the Australian Curriculum.	\$5,550
Employing Teacher Aides to support teachers to provide focused support in English in class. (17 hours / week of Teacher Aide time)	\$31,000
